Answer

MINISTER OF STATE FOR DRINKING WATER AND SANITATION
(SHRI RAMESH CHANDAPPA JIGAJINAGI)

(a) The amount released and utilised by the State Government of Gujarat under National Rural Drinking Water Programme (NRDWP) for the last three years and the current year is as under:

Year Funds Release Funds Utilisation *
2013-14 515.07 627.95
2014-15 405.58 491.44
2015-16 238.91 274.78
2016-17
(till 24.07.2016) 118.37 56.28

*including previous year balances.

Since Swachh Bharat Mission (Gramin) is demand driven scheme, hence no State-wise allocation made. However, funds released by Government of India and utilized by Gujarat under SBM(G) during last 3 years and current year is as under :
(Rs. in crore)
Year Release Utilised
2013-14 52.64 50.57

2015-16 478.22 575.90
2016-17(Upto 25.7.2016) 280.49 83.59

(b) Under NRDWP, allocation of funds to the States is done on the basis of a pre-approved criteria which includes rural population of the State, geographical terrain, SC/ST population etc. The allocation of funds to all States including that of Gujarat has been reduced in the year 2015-16 and 2016-17 because of reduction in overall allocation of funds under NRDWP due to enhanced devolution of funds to the States under the 14th Finance Commission.

Under SBM-G funds are not inadequate for State of Gujarat .
